

4pm Service Drop Off and Pick Up Handbook

We appreciate your flexibility with our return to physical gatherings at church. As excited as we all are to all be in the same room together, that's simply not a possibility at this stage. For capacity reasons, our kids and youth programs on Sundays will take place at St John's Church in Ashfield, rather than on-site at St James, and will only run in parallel with the new 4pm service.

Where?!

St John's is just a few minutes' drive away from St James.

The best street to access it from is Alt St in Ashfield, as there is a church carpark accessible from that side, as shown:

Drop Off: Any time from 3:30pm

- Enter the carpark through the entrance at the intersection of Alt St and Church St.
- Drive around the loop to the ministry centre (the cool new building connected to the church building).
- Quickly drop off your child(ren) and send them up to the registration desk at the entryway.
- Continue around the loop to exit the site. The entry/exit to the carpark is narrow, so before exiting, be careful to check if any cars on the street are attempting to enter the carpark, and give way if so.

Pick Up: From 5:00 to 5:15pm

- Enter the carpark through the entrance at the intersection of Alt St and Church St.
- Drive around the loop to the ministry centre
- Stay in your car and wait for a leader to approach you.
- Tell the leader who you're picking up, and they will be brought to the car.
- As before, continue around the loop to exit the site, giving way to anyone trying to enter the carpark.
