

# KIDS EVERYWHERE

## Craft Idea

### Letter to a Friend

Write and send a letter to a friend inviting them to join you to watch the next series of Quiz Worx Home Delivery with you.

**See our 2 examples of how to write your letter below:**

#### For younger kids:

I would love you to come to my house and watch some very special videos with me. They are all about Jesus and the people he met when he lived on earth. It will be so much fun and you can get to know what Jesus is like!

#### For older kids:

I would love you to come to my house and watch some really cool videos with me. They are all about Jesus and the people he met when he lived on earth. You will be able to get to know Jesus and what he is like. You also get to see how Jesus relates to people like you and me and how we can relate to Jesus. It will be heaps of fun! I really hope you can make it.

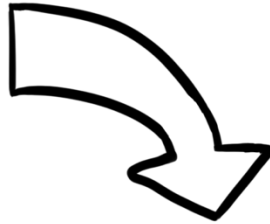

As well as the examples above, you can also add a personal message to your friend if you like!

Don't forget to place it into an envelope, write their name and details on the front (you can also add your details on the back), add a stamp and drop it into the post as soon as you can.
